## WEEK 8 - TERM 4

Office hours: Monday - Thursday 12:30 - 3:30 and Friday 9 - 3:30pm

This is the second to last newsletter for 2017. We will have another next week going out on Thursday/Friday to announce all our award recipients.

### Awards Morning - Monday 11th December

10am start in the school hall followed by a shared morning tea. Families please bring a plate to share. This is held to reduce the number of certificates and awards given out at prizegiving and let's the focus be on our departing graduating students.

### Prizegiving - Tuesday 12th December Community hall

Students will need to be at school by 5:30 to prepare for the prize giving starting at 6pm. Please send school red shirts or other red shirt, to school in named bag so we can have them ready to change into after performance. Children's costumes for the school production should be left at school as they will change into them on arrival at 5.30. If they have brought them home because they didn't listen then please send them back to school (costumes!)

Families please bring a plate to share for supper following prizegiving.

### Senior Leaders Day

A very hot and exhausting but invigorating day was spent on the North Shore leaping; flipping and bouncing at "Jump"

The students were wonderfully behaved and had a very enjoyable time.

Many thanks to Alicia, Brianna and Aunty Veronica for their transport help, supervision and delicious cake. A great way to celebrate Cassidy's birthday.

### Swimming Pool

The repair and painting of the school pool is in progress. Once painting is finished it will need seven days for the paint to cure before the pool can be filled. After the pool is filled the pump and filtration system can be serviced to ensure everything is in working order then the water will need up to two weeks of treatment before it is safe for swimming. Pool keys are available from the office from now until the last day of school. In appreciation of the telephone fundraising efforts of families and board members the keys will cost a refundable bond of \$50. For those community members who aren't part of the telephone fundraising effort the cost of a key is \$100 (\$50 refundable bond and \$50 use of the pool). The raised cost for the bond is due to the number of keys not being returned.

Please do not use the pool until the sign says it is safe to do so.

### Thank you

To Danny for clearing the blockage enabling the pool to be emptied.

To Joy and Nikki for their offers to maintain the pool over the summer months.

Bryony for her offer to help process the library books once we get the library computer programme all sorted out.
